

## GOC Enrollment Agreement

Please read the Agreement Plan outlined below. Please initial each item.

- \_\_\_1. I understand that at GOC students are considered present if they are actively working in their course. Actively working is defined as maintaining a grade of 70 or above or at least 5 hours of activity in Brightspace if course average is below 70.
- \_\_\_2. I understand that it is my responsibility to check my student's grades in the Parent Portal on a regular basis.
- \_\_\_3. I understand that the main form of communication between GOC teachers, students and parents is email (GOC email for student and email the parent provided at registration).
- \_\_\_4. I understand that Learning Labs are not mandatory, but recommended so my student can fully engage with his/her teachers and peers. When my student is not able to attend face-to-face Learning Labs, he/she may watch and participate from home and/or view the recordings.
- \_\_\_5. I understand that on-campus testing such as pre-tests, interims, final exams, and State mandated testing is required, and my student must participate in these events.
- \_\_\_6. I understand that my student should not be left unsupervised in their off-campus learning environment.
- \_\_\_7. I understand that if this agreement is not followed or if my student is not making adequate progress, my student may be withdrawn from GOC and must return to the traditional or other educational setting.
